SKIPPER

Our colorful rendition of the classic Skipper has been a favorite for promoting timing, rhythm and coordination.

The Skipper brings the high quality, performance, and fun that you can always expect from Just Jump It.

Chinese Jump Rope is a classic game of agility, balance and coordination that offers lots of variety and fun for 3 or more players. Our continuous loop is bright, durable, and made of the highest quality materials.

CHINESE JUMPROPE

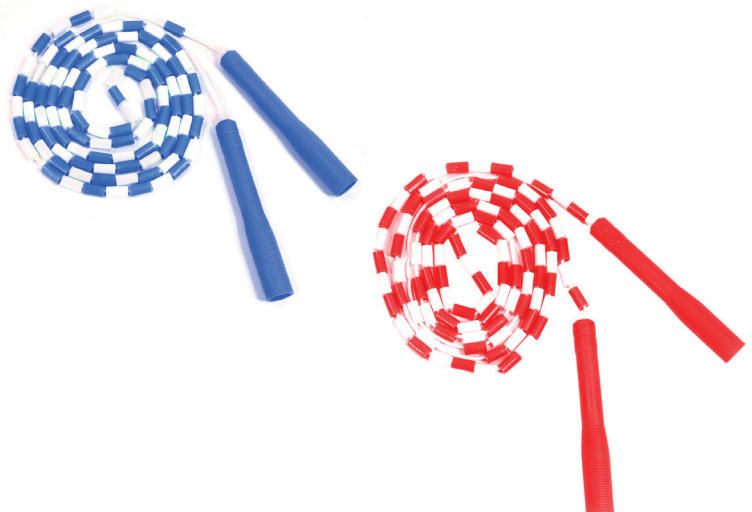

STEPPER

Our focus on agility, balance and coordination all come together beautifully in this colorful version of the classic "can stepper." The coffee can's twine, sharp edges and rust are replaced with high quality JJI line, a stable base flange and slip resistant foot grips.

PLASTIC 9' JUMP ROPE

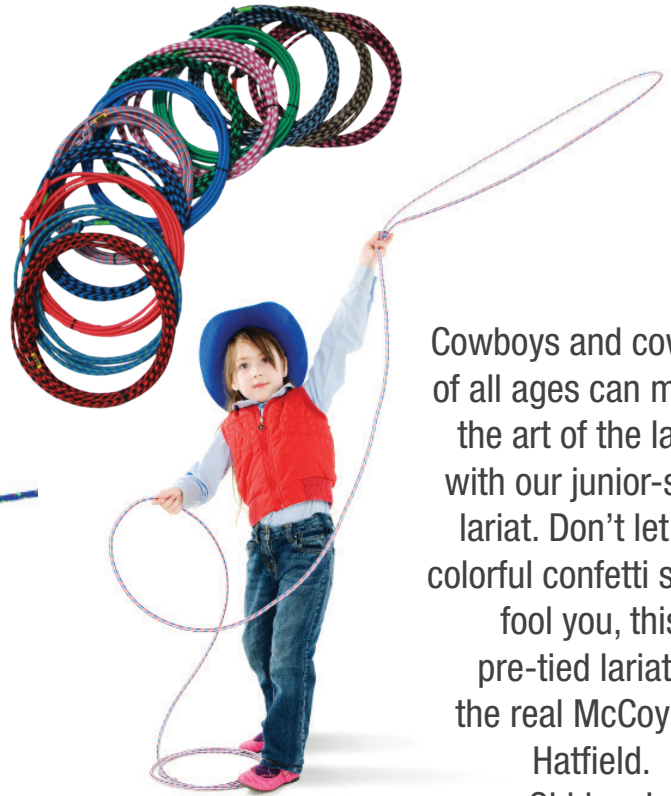

Our 9' Plastic Jumps Ropes are made with a retro feel in mind. Made of quality plastics and eye catchy fun colors. Great outdoor toy for building strength and stamina.

SINGLES & DOUBLES

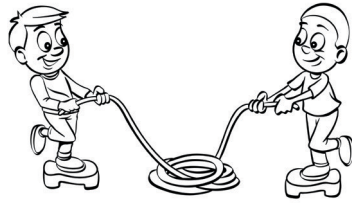

Our 8' Singles or 16' Doubles are made with quality in mind so they have optimal pliability and durability. Great for strength and stability. Knotted instead of handled, these ropes easily fit jumpers of all sizes.

Cowboys and cowgirls of all ages can master the art of the lasso with our junior-sized lariat. Don't let the colorful confetti sheath fool you, this pre-tied lariat is the real McCoy...or Hatfield. Giddyup!

HOOSKER DOOSKER

Calling all champions! Hoosker Doosker is a fun game of Tug-o-War that all can enjoy. A quick game of give and take! To win, get your opponent to fall off the foot pedestal or drop the rope.

20 FT TUG OF WAR ROPE

Pull, Pull, Pull! Our 20ft Tug of War is a fun backyard game that all can enjoy. A game of strength and stamina! To win, pull with all you got and get your opponents to cross the line.
